

Dear Sir/Madam,

I wish to make a submission to your review of wool selling within Australia.

I am a Master Classer and have been in the industry for many years. A priority within our industry is to make profits for our woolgrowers. This can be achieved by removing the showroom samples and selling wool online which has been tested by AWTA. There will be massive savings for growers and sellers. My submission is brief but simple and can be easily achieved. Please include my submission in your review.
