STATUTORY FUNDING AGREEMENT 2016-20

Parties

The Minister for Agriculture and Water Resources on behalf of the Commonwealth of Australia represented by the Department of Agriculture and Water Resources (ABN 24 113 085 695)

and

Australian Wool Innovation Limited (ABN 12 095 165 558)

Date: 26 October 2016
AGREEMENT DATE:

BETWEEN The MINISTER FOR AGRICULTURE AND WATER RESOURCES, ON BEHALF OF THE COMMONWEALTH OF AUSTRALIA, represented by the Department of Agriculture and Water Resources ABN 24 113 085 695 (Commonwealth).

AND AUSTRALIAN WOOL INNOVATION LIMITED

ABN 12 095 165 558, a Research and Development Corporation having its registered office at Level 6, 68 Harrington Street, The Rocks, Sydney NSW 2000 (AWI).

BACKGROUND

A. The Australian Government and Australia’s primary producers recognise the need to invest in rural research and development.

B. Australia’s rural research and development corporations are the mechanism by which primary producers and the government co-invest in research and development for industry and community benefits.

C. In November 1998 Australian woolgrowers, through a plebiscite, endorsed the establishment of a corporation, with a commercial board with skills relevant to its objects, to undertake research and development, innovation and other activities for the benefit of woolgrowers.

D. In August 2000 the government announced new arrangements to give effect to these views.

E. To this end, AWI was established and subsequently declared as the “research body” under section 30 of the Wool Services Privatisation Act 2000 (Cth) (the Act).

F. Section 31(2)(a) of the Act provides for AWI to conduct research and development activities, marketing activities or other activities, or both, for the benefit of the Australian woolgrowers. Consistent with this, AWI took over ownership of The Woolmark Company in 2007.

G. Section 31 of the Act allows the Commonwealth to enter into a funding contract with the research body. The parties have entered into such funding contracts since 2001.

H. While this Agreement recognises that responsibility for corporate governance including strategic and operational decisions resides with the Board and
management of AWI, the Commonwealth has expectations that the AWI Board and management will have in place a framework to ensure good corporate governance.

I. The Agreement, and funding agreements in similar terms entered into with other RDCs, are intended to provide clarity, consistency and transparency across the management and accountability frameworks applicable to all RDCs.

J. The Agreement also allows for the performance of the RDC to be reviewed by the Commonwealth and, in circumstances where issues are identified, the ability for appropriate responses to be developed.

K. The Commonwealth and AWI have agreed to enter into a further funding contract on the terms and conditions set out in this Agreement.
