

ASSESSMENT TOOL

HANDPIECE AND DOWNTUBE LUBRICATION

Competency	AHCSHG303A	Maintain and Service Shearing Handpieces
-------------------	------------	--

Trainee Name		Date:	
---------------------	--	--------------	--

- Using arrows indicate the lubrication points on the diagrams of the handpiece and downtube.
- For each lubrication point, note how often it needs to be oiled.

NB – Diagrams are not drawn to scale
