

## ASSESSMENT TOOL

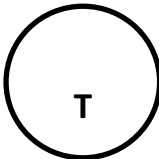

### SHEARING SHEDS

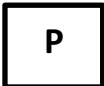

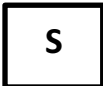

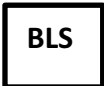

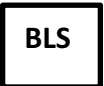

<b>Competency</b>	AHCSHG202A	Assist in Preparing for Shearing and Crutching
-------------------	------------	------------------------------------------------

<b>Trainee Name</b>		<b>Date:</b>	
---------------------	--	--------------	--

The diagrams below show three different types of boards. For each one:

1. Name the type of board
2. Set up the wool work area by selecting the type and number of each piece of equipment for the number of stands and types of board. Using the symbols in the key draw them on each diagram to show where you would place them in the wool work area of each shed.

KEY	
<b>Wool Table</b>	<b>Wool Bins</b>
 Or 	 or 

<b>Wool Press</b>	<b>Wool Scales</b>	<b>Wool Butts</b>
