DEALING WITH WASTE

Competency	AHCWRK202A	Observe Environmental Work Practices
-------------------	------------	--------------------------------------

Trainee Name		Date:	
---------------------	--	--------------	--

- List items of waste that are generated in and around the shearing shed.
- Place a tick in the correct box if your waste item is:
 - Toxic
 - Reusable
 - Recyclable
 - Biodegradable
 - Green waste
- Find out what happens to the waste and write it under the disposal methods.

WASTE ITEM	TOXIC	REUSABLE	RECYCLABLE	BIODEGRADABLE	GREEN WASTE	DISPOSAL METHODS
