# What is ParaBoss?

The Wormboss logo is contained within a rounded rectangle with a red border. It features a red circular icon with a white stylized 'W' and the word 'wormboss' in bold, lowercase letters. Below the name is the text 'Powered by ParaBoss'. At the bottom, there are three circular icons: a black silhouette of a pig, a white silhouette of a sheep, and a black silhouette of a goat.

The Flyboss logo is contained within a rounded rectangle with a yellow border. It features a yellow circular icon with a white fly silhouette and the word 'flyboss' in bold, lowercase letters. Below the name is the text 'Powered by ParaBoss'. At the bottom, there are two circular icons: a black silhouette of a pig and a white silhouette of a sheep.

The Liceboss logo is contained within a rounded rectangle with an orange border. It features an orange circular icon with a white louse silhouette and the word 'liceboss' in bold, lowercase letters. Below the name is the text 'Powered by ParaBoss'. At the bottom, there are two circular icons: a black silhouette of a pig and a white silhouette of a sheep.

The Tickboss logo is contained within a rounded rectangle with a green border. It features a green circular icon with a white tick silhouette and the word 'tickboss' in bold, lowercase letters. Below the name is the text 'Powered by ParaBoss'. At the bottom, there is one circular icon: a black silhouette of a pig.

# What is the Phase III project about?

ParaBoss Phase III (2021-2024) is divided into three separate components:

1. Website Management

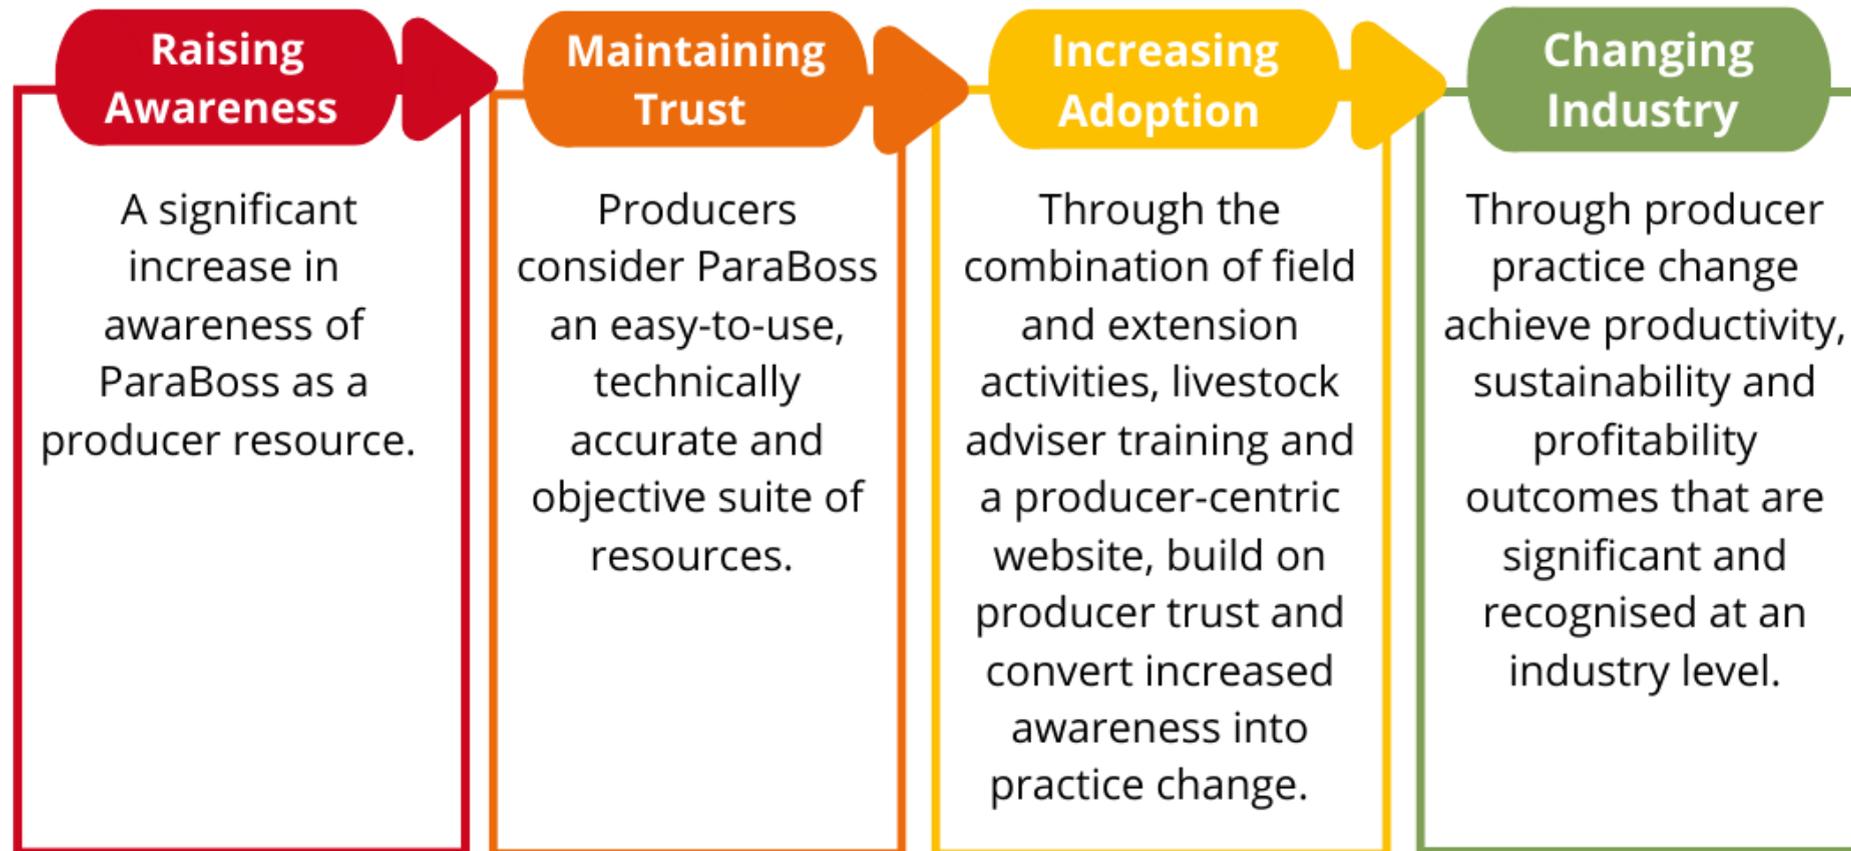

2. Producer Communication, Extension, and Adoption Delivery

3. Advisor/Service Provider Communication  
(The University of New England manages component 3 exclusively)

# Phase III aims

# Producer-centric approach
